I am following up on this request. I spoke with the General Counsel the day this was submitted, in an effort not to create a bunch of additional work for your office.

Subject: Texas Public Information Act Request - Katy ISD

To Whom It May Concern:

My name is Justin Graham, and I am the General Counsel for Katy ISD. Like UH, the Public Information Office is under my purview. As such, please know that I am willing to modify this request if there is any easy way to do this for your office.

I'd like to start by requesting electronic copies of all emails to and from the following email accounts since March of 2018. I am in agreement with allowing UH to redact the information it deems confidential by law. If this request is too voluminous or taxing, I am willing to clarify or narrow.

Please let me know if you feel a phone call is appropriate. I appreciate your consideration and time on the request.
